She said they own 18 cats and 2 unsterelised female dogs .
Some cats belong to her mom and some belong her .
Some of adult cats are sterilized young ones are not .
The 2 dogs belong to jeraldeen boy friend the dogs appeared to be slightly underweight but I
advised her to deworm and increase food portions per day.
The cat called Nala had hairloos but it was healing nicely. I explained to her that they got lot of cats
and they need to consider reduce the number of cats .
She said she was going to speak to her mom ,her mom works away from home
Her mother called me she said she wanted to surrender some cats over and sterelise some.i will
