General Report Comments: I went no ,22 Kingston Rd and met Mr S Naidoo,he owns one dog ,dog was not chained it was kept at the back of the property,space big enough .
Then I went to 16 Kingston Rd met the owner Mr Donovan Dorasamy he owns 2 dogs Maltese and chow x .
Both dogs appeared to be in acceptable condition but the Maltese was very old it stays inside the house .I spoke to both owners they both said their dogs never make noise .
When I spoke to the complainant the following day she said we must not worry they managed to find out where the noise was coming from ,she said someone in the neighborhood had a new puppy ,she will call us again if the noise continues.
