General Report Comments: Upon arrival I shouted but there no response. It appears that no one is home.

Two dogs were seen in the front yard. One dog appears to clinically alert and appears to be in a good health. 2nd dog was lying on the ground and was barking also while I was standing at the main gate. It seems the dog can't stand up based on my observation and I strongly believe this is the dog the complaint was referring to.

I issued a warning for owner, caregiver or occupant to
-Provide Sick or injured animal/s with adequate veterinary treatment within 24 hours and provide the SPCA with a veterinarian report within a given time frame to 0317646665 or email controller@kloofspca.co.za
-To contact SPCA inspector Lindokuhle on 0832701371 within 24 hours to discuss the concerns.

It has been brought to attention that there is a sick dog on the property that is struggling to walk. A black dog was observed and it appears it could not stand up. Seek veterinarian treatment within a given time frame or surrender the dog to SPCA

Warning plugged to the gate.
