General Report Comments: Upon arrival i hooted and shouted but no response.

I observed two dogs roaming freely at the property. They appears to be in a good condition and good health. The dogs don't appear to be sick or injured. The living environment is clean and hygienic

I then spoke to the complaint to find out when last did he see the dog that was always on the road. He then responded it has been some time.

I strongly believe the case can be closed

There is no contravention of the Animals protection act 71 of 1962 and there is no further action that can be taken.
