General Report Comments: Dog was kept in a veranda because there were holes in the fence the owner goes away for a week or two and her mum comes every day to feed her she said

I then advise her to sign a dog over to SPCA because it clear she doesn't have a time to spend with the dog. She said she will ask her sister who stays at Amanzimtoti to collect the dog to stay with her because in few weeks she is coming back from jhb to stay with her at her house

One the following day I went back to check if she took the dog the dog was not there I called her she confirmed that her sister took the dog
