General Report Comments: Upon arrival i entered the property.

I met Mpendulo and the workers were on site. We went to the back where we observed two dogs roaming freely on property. The dogs have access to adequate shelter and the living environment is clean and hygienic. There are no health concerns observed and the Animals have sufficient space to roam around. Portable water is also provided for the dogs.

Botho dogs are albinos and i advised Mpendulo to get sunscreen for his dogs on a sunny day to prevent skin cancer.

I strongly believe the case can be closed. There is no contravention of the Animals Protection Act 71 of 1962 and there is no further action that can be taken.
