General Report Comments: Petra and myself went to the property met with the owner.
He owns 3 dogs they are all sterilized.
Property is fully fenced and gated .
One of his dog ,jack Russell was at neighbours property, 71 Byrne Rd Juanita 0726141852.Dog was very happy there she even bought food and bed for the dog .
One of the dog was Bailey was on +-20m running chain ,kannel and water was provided.
Owner said he chains his dog because he loves it ,he said the dog always find his way out if it not chained,he jumps or climps the fence,he said they always take the dog for a walk in the afternoon.
We advised / recommend to make fence bend inward and burry the fence sothat the dog can not dig under or jump over but this is something that we can not force him to do .
