General Report Comments: Upon arrival i hooted and shouted. Mrs Hlengwa came to the gate.

I shared a nature of complain and she had a problem granting me access to enter the property as her husband wasn't home. I could see the dog in question and it was barking non stop. I asked why the dog is chained and she made an excuse that the dog goes out. The dog has access to shelter.

I issued a notice to comply
-Provide a running chain for your dog within 7 days or extend a chain up to 7 meters.
