General Report Comments: Upon arrival i hooted. Yvonne granted me access to enter the property.

I entered the property and I observed 3 dogs kept in the house. The dogs are clinically alert and one dog has a stroke. I wanted to know what medicine the dog is under and they showed me Prednisone. It helps to reduce pain.

The dogs are clinically alert and the living environment is clean. I shared the complain we received and the respondent knows who complaint as she was told by the complaint that she will send SPCA.

I issued a warning
To keep your Animal/s inside your premises at all times.
