General Report Comments: Upon arrival when i crossing the bridge on the left hand side. I saw a puppy that belongs to Mr Mzimela and it was busy with a bone next to the trash plastic bags. The puppy still appears to be slightly under and the old dog was roaming freely at the property. The old dog looked at me and went back to the garage that is adequete shelter for the dogs.

The old dog appears to be in a good condition. The puppy was admitted as stray and Mzimela denied on the first visit that his dogs leave the property.

I strongly believe the case can be closed. There is no contravention of the animals protection act 71 of 1962 and there is no further action that can be taken.
