CHECKLISTS

General Report Comments: Upon arrival I met Sibusiso and shared a nature of complaint.

According to Sibusiso the dog is missing. It dissapeared early in the morning and his father was shouting at him since he unchained the dog. I then explained to him that i offered a sterilization to his father so the dog wont cause problems but he wasnt interested.

I then entered the property and there is no sign of the dog.

I strongly believe the case can be closed. There is no dog at the property and there is no contravention of the animals protection act 71 of 1962 and there is no further action that can be taken

NFA.
