General Report Comments: Upon my arrival I was met by the family member,
There were 4 dogs incl 3 small and one large dog.
The three small dogs were roaming freely in the property, but the boerboer was kept in the enclosure. I spoke with Mrs Govender on the phone she said the dog is only kept in the enclosure only if there is a visitor. Most of the time the dog is loose. But I told her that the place was too small it is about 1, 5m x 1, 2m..
On the 9 September I returned to the property there was noone there the dog was loose. I will keep checking if I am in the area.
