General Report Comments: Upon arrival i hooted and shouted until someone gave me attention.

A young lady came to me, i shared the nature of complaint and she requested i wait a bit so she can call the owner of the dog.

I was than met by Melissa and i shared a nature of complaint. I observed a dog named Dozer slightly underweight and the dog is clinically alart. The dog also has cherry eyes And it seemed to be blind. I questioned if the dog is under medication for Cherry eyes and Melissa responded yes. I then told her i wanna see medication that shes using and she couldnt show me that medication.

Another dog that is on the property was observed in a good condition and clinically alart. The living environment is clean and hygienic.

I issued a notice to comply

Dozer was observed slightly underweight which can be underlying a form of sickness. Dozer also appears blind.

-Seek veterinarian treatment for Dozer within 7 days, for assessment and possible treatment within the given time frame.

You can also surrender the dog to SPCA.

-Provide a veterinarian report lindospca@gmail.com within 7 days.
