General Report Comments: Upon arrival i hooted and Nkosinathi came out.

He looked a bit drunk and he was woken up by his sister when i hooted during my arrival.

He granted me access and i questioned to see a treatment for rhe dog. He made an excuse and i told him ill take the dog with a warrant as he is failing to comply. The 2nd option is he must sign the dog over immediately.

He signed the dog over.
The dog in question is surrendered.

There is no animal left on the property. There is no contravention of the animals protection act 71 of 1962 and there is no further action that can be taken. I strongly believe the case can be closed.
