General Report Comments: Upon arrival i hooted several times and shouted.

No gave me attention and from the gate i observed the dog in question on a static chain that was about 2 meters.

The dog appears to be in a good condition and there was no shelter for the dog. The living environment is clean and the bowl was facing down as proof that there is no water for the dog.

I issued a warning

-Provide animal/s with sufficient water 24 hours a day.

-Provide the animal/s shelter with protection from all weather elements with clean bedding within 7 days.

-Untie/unchain animals to roam freely inside the property.

-To contact Spca inspector Lindokuhle on 0832701371 within 24 hours.
