CHECKLISTS

General Report Comments: Upon follow up inspection.

I met Siphelele and he did explain to me that he moved the dogs to his house as he realized it is difficult to keep the backyard clean. They always work at the backyard.

I went to the backyard to verify if the dogs are still in the backyard.

There is no dogs kept in the backyard.

I strongly believe the case can be closed. There is no contravention of the animals protection act 71 of 1962 and there is no action that can be taken.
