General Report Comments: Upon arrival i hooted several times. A woman came to the gate and granted me access. She introduced herself as Gabisile

I shared a nature of complaint and she took me to the back yard. I could see holes on the fencing and she explained that some part of the fencing fell due to heavy wind and rain.

I observed the dog in question named Luke. The dog appears to be in good health and clinically alart. The dog was kept on a chain that is about 2 meters long. The dog couldnt express animal natural behavior and has access to shelter. Portable water is provided for the dog named Luke.

I issued a warning

-To untie/unchain animal immediately to roam freely inside the property or provide a running chain.

-Provide a running chain for your dog named Luke within 7 days.

To untie/unchain animal immediately to roam freely inside the property or provide a running chain.
