General Report Comments: Upon arrival i met Mirius

I shared a nature of complaint and he granted me access to enter the house. The cat name is Gabby

Gabby was observed roaming around the house freely, windows opened and there is no harmonic smell in the house. The living environment is clean and hygienic.

The cat is observed in good health and portable water is provided

I strongly believe the case can be closed. There is no contravention of the animals protection act 71 of 1962
