CHECKLISTS

General Report Comments: Owner was not home only the daughter. Saw a Boebroel puppy couple of weeks old with a docked tail and a meduim sized puppy with a long tail. The daugther indicated that they have four dogs in total on the property and they did buy them from someone else. Left notice for call back. Owner phoned and explained he has an older dog he is intruducing to the puppies. However two of the puppies will be taken to a differrent property . He also provided me with their vacciantion cards with the breeder's name on per whatsapp. The breeder is located on Stanger DBN will forward to them. Follow up to check full condition
