General Report Comments: Was met with owner. All 5 dogs are being kept in house however the yorkies are kept in one part of the house and the other two big dogs in another. They are keeping the dogs in as the owner of the property has an issue with them however they are in the process of packing and relocating. She did mentioed that they are not actaully allowed to take the big dogs with as all the places they are looking at does not accept big dogs. I did say they are more than welcome to bring them to the SPCA and surrender should it come to that. The dogs are n good conditions with adeqaute and clean space no concerns
