He is a very old man and he explained that the chain gets tangled. That when the dog will cry as if he is beating the dog and he also told me that he doesnt know what to do anymore. He has lost two dogs already as a part of the fencing has been washed over by floods.

The dog in question is on a running chain and i told the Simon ill try to get him a swivel.

Thw dog appears to be in a good condition and have access to shelter. Portable water is provided.
