General Report Comments: Upon arrival i met mr Obuka who is a foreign national. Ishared a nature of complaint and he responded he head about the incident.

The owner did tell them that he will pay for the bill of the neighbor. Mr Obuka is working as a tow truck driver he granted me access and the owner was home.

He further showed me where they closed off the fencing as it was loose when they arrived to work in the morning.

Two dogs were kept in the house during my inspection as Obuka told me he cant control them at all. He fears theyre not used to me. The dogs appears to be in good health and the living environment is clean. The dogs has access to food and water.

I strongly believe the case can be closed. There is no contravention of the animals protection act 71 of 1962 and there is no further action that can be taken.
