General Report Comments: The dogs did receive treatment for external parasites

This was a final inspection and upon follow up i met Mrs Govender

She called the dogs and the dogs were all in a good condition. The dogs were roaming freely exhibiting animal natural behavior as they were playing. The living environment is clean and hygienic

I strongly believe the case can be closed. There is no contravention of the animals protection act 71 of 1962 and there is no further action that can be taken.
