General Report Comments: Upon arrival i met Ucoluhle

She took me to the backyard where the dogs are kept and she explained that the neighbors dog was left to roam freely as her father gave away a dog that was naughty

The dog in question is roaming freely having access to water and shelter. The living environment is clean and hygienic

I strongly believe the case can be closed. There is no contravention of the animals protection act 71 of 1962 and there is no further action that can be taken.
