CHECKLISTS

General Report Comments: On the 19 February I called the complainant miss Ndlovu.
She told me that there was one mother and piglets always coming to her house.
I contacted the environmental dept and spoke to Relato and share the nature of the complaint, she asked me to go and access.
When I went to the property I was met by miss Ndlovus brother and there were no pigs there.
There were lots of bushes behind the property.
He said they sometimes come at night,
We gave him 2 bags of dogs food to feed the pigs if they come back.
There was a chickens house that they can use to confine the pigs.
On the 24 February I called the complainant to find out if the pigs came back, she told me that they have found the owner of the pigs.
She said the pigs were in acceptable condition.
