General Report Comments: Upon my arrival I was met by the owner.
The 2 dogs were loose in the property.
They had access to food and water.
The tan dog appeared to have skin condition.
Warning was issued to take the dog to the vet.
The dog was taken to Queensburgh animal clinic.
The owner was advise the sterelise the dogs.
There was an enclosure at the back of the property.
The owner said they let the dogs out at night.
The reason for keeping the dogs in the enclosure is because they run a business.
She was advised to fence the back of the property and keep the dogs away from the driveway.
I will go back in 4 weeks time to check the improvement on the dog that was taken to the vet and see if they are interested in the sterelisation.
