General Report Comments: Before the dog was collected.

I received a call from the owner of the dog which was very rude and swearing.

The dog was still kept on a static chain but he the owner informed me the dog must be collected for surrender and he knows the bylaws as someone who works at Metro police. I told him what is written on the warning has nothing to do with the bylaws. He told me i must collect the dog cos he doesnt like talking and i dont know who he is. The dog was collected by Petros and Myself
