CHECKLISTS

General Report Comments: Upon arrival i met Precious.

She granted me access after explaining that the dog has been relocated after she was visited by SPCA. People were also complaining on the Group.

I then contacted Petros S

He explained that he issued a warning regarding the dog kept on a chain and further educated Mthembu Family.

There is no dog at this property. I strongly believe the case can be closed. There is no contravention of the animals protection act 71 of 1962 and there is no further action that can be taken. The dog was given to a family member.
