General Report Comments: Upon this inspection i took Siya so i can teach him how to do inspections

On arrival i went to speak to assistant manager who didnt have a problem.

We went to the first section where the animals are kept. Hiding spaces if provided and water is clean there are hiding spaces. Shelter is provided i checked each and every animal

I observed a rabbit that has an eye problem.

We further moved to the section where birds are kept. Perches provided and water bowls are hanging. They are kept in adequate space and the birds are not fighting

On the 3 section that where donkeys are kept. They are in good health and well looked after. They have access to Hay and enrichments are provided to avoid boredom

I issued a notice
One bunny was observed with an eye problem
-Kindlu seek medical attention for the Bunny within 72 hours.

If the bunny is under treatment kindly provide proof.

I made it clear to Chanel that the rabbit must be isolated
