I then hooted until Deslin came out. He granted me access to enter the property and we went to the back yard as the property is separated.

The dog in question is named Angie. It roaming freely and appears in a good condition. The dog didnt show any signs of steriotipic behavior and it has access to adequete shelter. The living environment is clean

I also advise that if the dog is barking non stop. They must get a friend for the dog.

I strongly believe the case can be closed
