CONFINEMENT OF ANIMALS	Caged - adequate space	Prevent fighting .

General Report Comments: Siphon and I went to the property .
We were met by 3 gentlemen ,they told us that the dogs belong to Sifiso Ndokweni.
There were 13 adult dogs and 3 puppies.
All the dogs were in cages 3m x3m .
The place was very dirty with the old dogs feaces .
The dogs appeared to be in fair condition.
None of them was sterilised .
Those dogs looked like security dogs ,they are German shepherds and Malinois.
The owner said they are not security dogs he said he wanted to train them to become security dogs
,
He said he knows that he will need a PAPA licence .
We told him that he needs to take them for walks everyday or make the dog run ,keep the place
clean ,deworm them and give extra food because some of the appeared to be slightly
underweight.
He showed us the vaccination bottles but no certificates.
He feeds his dogsguardian pallet dogs food .
We advised him to buy disinfectant .
Warning was issued .
