CHECKLISTS

General Report Comments: Upon arrival i met Estas and shared the complaint

She denied owning an animal and told me that people must leave her alone. She granted me access and no cat was seen

I spoke to the complainant and she told me to go and check at the unfinished house.

I went to the unfinished house and checked in every room.

I strongly believe the case must be closed. There is no contravention of the animals protection act 71 of 1962 and there is no further action that can be taken.
