General Report Comments: Upon arrival I Hooted and all the three dogs came to the gate.

Miss Pillay also came to the gate and i explained i came to do a final inspection. No adults were present and I refused to enter the property. The stitches are healing on the animal that was admitted for treatment and the dogs are in good health

The dogs have access to adequate shelter and the living environment is clean.

I strongly believe the case can be closed. There is no contravention of the animals protection act 71 of 1962 and rhere is no further action rhat can he taken.
