CHECKLISTS

General Report Comments: Upon arrival i met Jimmy who is the complainant who granted me access.

The house is evicted and no one is home. I observed the dog in question and it is in good health. No one can come close to the dog even when you give it food. I suggested a trap but one gentleman who resides at the property suggested he will lock the dog in the house during the night as the dog sleeps in the house.

ACTIONS

NO ACTION REQUIRED
