There were 9 dogs on the property .
All the dogs were roaming freely in the proerty .
All the dog had access to food and water .
He said all the dogs are sterelised
There were chains and small enclousures on the property.
He said they only put the dogs in the enclousures or chains the dogs only if there are lot of poeple
nextdoor he doesnt want the dogs to see them or back at them .
They got bread and breakfast next door .
We will go back when the owner is there so we can come up with other method to controll this dogs
