You are hereby warned:

1. As per vet report for Mason: He requires urgent grooming. Please ensure such and provide proof of such via email inspectorate3@kloofspca.co.za or whatsapp 078 464 5808 within 24 hours.
2. As per vet report for Lilly: She was found with concerning skin conditions, dental issues, eye issues and are found under the body score. Please confirm that the vet's request and continued specialized treatment are being adhered too by no later then end of business day Monday (28/09/2026).
3. Despite our concerns raised regarding the dog's access to drinking water on the 03/09/2026, some of the animals were still found mildly dehydrated during veterinarians examination on 16/09/2026. This is concerning, and should be rectified as previously discussed, as well as recommended by our veterinarians. At no given stage should any animal be without access to potable water unless for medical reason under the supervision of a medical expert. Even while cleaning is taken place, water shall be available in all enclosures 24/7.
4. Majority of your animals were found with external parasites infestation. Ensure continued prevention products and measures are taken as advised by your veterinarian and ensure your animals remain free of parasites.
5. Majority the animals examined by your veterinarians indicates that they arrived at this property 2-3 weeks prior after being removed from a foster. We hereby request full details of who these foster/s were (names, contacts and addresses), how long the

animals were in their care for, and why it was allowed by them, and you as the organization who took ownership and responsibility for these animals, to become in this neglected state, and why no earlier action were taken to prevent suffering. Kindly provide all these details by no later than end of business day Wednesday 30/09/2026.

Please feel free to contact me via emails or telephonically should you wish to discuss any matter further or have any queries: Inspectorate3@kloofspca.co.za / 078 464 5808
