General Report Comments: Upon arrival i met Mr Ngcobo. He granted me access to enter the property.

Two dogs are roaming freely in the front yard and one dog that has puppies is kept in the backyard .
All the dogs are observed in a good condition and clinically alart.

The living environment is clean and hygienic. Dogs has access adequete shelter. The dogs has
puppies and the puppies just weaned that why they make a noise cos they still wanna fed from the
mother.

I strongly believe the case can be closed. There is no contravention of the animals protection act 71
of 1962 and there is no further action that can be taken.
