General Report Comments: None of the owners were there gained access by volunteer. In process of changing all the water bowls to steel bowls inside a tyre. Got cement donated so will start to concrete flooring in enclosures when weather allows it. Parasites reduced on number only a few dog witnesses with minor parasites. Also confirmed that the vet will do another home consultation next month. Apparently also waiting for next nexcard delivery. One dog in house was crated again but with water and blanket volunteer claims it is only while he cleans lets out when done cleaning again. Mother with puppies witness during prevouis inspection the puppies were removed from the mother 6 weeks and they are keeping the puppies in a room in the house told the volunteer to keep an eye on the mother to ensure she does not develop mititus. Awaiting information of prevouis foster.
