General Report Comments: Upon this inspection i was with Doctor our field officer .

Upon arrival we met the worker who granted us access. We went to where the sick cow is. The cow couldnt stand up at all and the owner wasnt present during the inspection.

I contacted the owner based on my observation and took video graphic evidence as proof he agreed that the cow must be put down to stop the suffering . Siyabonga signed the animal on behalf of the owner.

We then Section 5 the sick cow

Issued a warning

In future any animal that is sick or injured under your custody, must be taken to a veterinarian for assessment and treatment. Any farm animal that is under your custody that is sick or injured. You must summon a veterinarian to treat an animal. Failing to do so may lead into further action taken against you for being in contravention of the animala protection act 71 of 1962.
