General Report Comments: Upon arrival i met Vikash who granted me access.

He wanted to know the complainant and i told him i cannot disclose.

He took me to the backyard where a dog was roaming freely having access to water and shelter.
The dog is observed in a good condition.

I checked the bird cage and it was clean and the hanging water bowl was tipped. I instructed him to add water immediately and he complied. I told him to secure the hanging water bowl and further told him to provide extra shade for the bird as it is exposed to sunlight.

I issued a warning
-To provide the animal with sufficient fresh water 24 hours a day
-provide extra shade for protection where the parrot is kept within 7 days
