General Report Comments: Went to the tenants with three Jack russels. They were outisde the property as their is no adeqaute gate. They confirmed that they still want the dogs so I told them they need to keep them inside the property then. The dogs are in good condition with shelter and water no welfare concerns. Talked to Pitbull owner and said any unwanted puppies he can bring to us and please too look into getting her sterilised after the puppies had been weaned. No further action can be taken
