General Report Comments: Pilani and myself went to the property,
Upon our arrival we met the owner of the dog Banele.
There were 3 dogs on the property.
The puppy appeared to un injured leg, it was not putting any weight on the leg
We explained to him that spca can help him but there were cost involve because the dog appeared
to have a broken leg
And dog with a broken leg normally reffer to a private vet.
He didn't was us to take the dog to our clinic.
So we issued him with the warning.
Other dogs were in good condition, has access to food and water.
