CHECKLISTS

General Report Comments: On the following day I tried several times to call the owner to find out if the dog was taken to the vet but he did not answer his phone.

I went to Mpumalanga court to apply for the warrant because I thought the dog was not taken to the vet.

After obtain the warrant we returned to the property escorted my 2 members of Saps.
Upon our arrival we were met by his mother, she told us the the dogs owner was at school and she didn't know where was the dog,
We search all the place, we could not find the dog.
We told his mother to call us when he comes back.
On the 10 September I call him in the morning, he told me that the dog was at Village vet.
