| CONCERNS                                                                                      | Yes | No |
|-----------------------------------------------------------------------------------------------|-----|----|
| Water available                                                                               |     |    |
| Adequate shelter available                                                                    |     |    |
| Adequate space available                                                                      |     |    |
| Clean living environment                                                                      |     |    |
| Animal/s chained / tethered / caged                                                           |     |    |
| Animal/s in good condition                                                                    |     |    |
| Veterinary problems/ health concerns                                                          |     |    |
| Note: Any concerns noted in this table must be explained in detail in the Inspector's report. |     |    |

**Report/Findings:**

No cats were seen during our visit. person in charge is James Mokone. Complainant is a visitor. No animals are treated bad, No evidence of that. Member reported that they have never come across any injured, abused or dead cats or any other animal. Prison Management decided all cats to be collected from inmates and surrendered to the SPCA. Inmates are not allowed to have pets. It was mentioned that cats only come at night. Investigation to be followed. Prison to Action taken: (ie warning, education, seize, etc) Identify all cats inside, take them and call the SPCA for removal.
