General Report Comments: A follow-up inspection was conducted on the property. The following observations were made:

Four additional chickens were noted on the premises.

The owner, Tumi, has placed the dogs on running chains, allowing for improved freedom of movement.

The rubble and litter previously noted have been cleaned and removed.

The mother dog and her puppies are now being housed in a clean area, and the room is open to allow for proper ventilation and movement.

Clean water was observed to be readily available, and blankets have been provided in the kennels for comfort.

Ongoing monitoring and education will continue to ensure that these improvements are maintained and that overall animal welfare standards remain compliant with SPCA requirements.
