General Report Comments: Arrived at the property and was met by Amanda. I enquired about the dog, and she invited me in to view him.

I found a puppy approximately four months old playing in the back garden. Amanda explained that she had been given the puppy by her daughter, who was relocating to Cape Town.

Amanda has done everything within her means to ensure the puppy's wellbeing but has come to realise that he will grow into a large-breed dog, and the yard is not suitable for his size and needs.

She therefore agreed to sign the dog over to the SPCA.
