Comments:	The owner, Mrs Liezl Oosthuizen, contacted me telephonically in response to the NTC left on the front gate. Mrs Oosthuizen explained she has one rooster and seven hens; therefore, she knows they are compliant with by-laws. I was told that the chickens free roam the yard during the day and are kept caged at night to protect them. Mrs Oosthuizen informed me that as soon as she is home from the hospital again (her daughter is in ICU) she will let me know.
