CHECKLISTS

General Report Comments: After hooting several times at the garage door it appeared that no one was home. I went around to the side of the yard joined by Unit 7 and was told the owners are not home.

The Pitbull was seen in the front yard in satisfactory body condition. The neighbours informed me that the dog gets out by lifting the garage door.

A Notice to Comply instructing the owners to contact the Springs SPCA within 24 hours was left with the neighbours.
