General Report Comments: Upon arrival Mr Pienaar and his elderly mother-in-law was present. Mr Pienaar explained that he does not stay on the property but that his elderly mother-in-law stays on the property. The small dog is generally always kept inside the house with the Pitbull dog being free roaming in the yard. Both dogs are in satisfactory body condition. Water bowls are present underneath a tap in the back yard. Mr Pienaar explained there has been an incident once or twice where the Pitbull pushed the garage door up to get out onto the street. We discussed securing the garage door opening into the yard in order to avoid the dog from getting out. A wooden kennel is present in the back yard; however, apparently the dog only sleeps on the front stoep.
