CHECKLISTS

General Report Comments: Upon arrival I was provided PPE and requested to shower in. After showering in I spoke with the farm manager, Emmanuel, in the office. Inside the office emergency procedure protocols and contacts were present on the walls, as well as, policy statements, health and safety contacts. The vaccination fridge was also present in the office. Emmanuel informed me that they have a new cycle of chicks, all the chicks currently being housed are 4 days old. Emmanuel explained that the farm goes through a four phase system
